

APPENDIX E

SAMPLE DIAGNOSTIC MONITORING PLAN

A. Building Automation System Overview

Control System Manufacturer:	
Product Name:	
Buildings/Areas Controlled:	
Number of I/O Points:	
Year(s) Installed:	
Operator Workstation Software Version:	
Control Contractor Contact Info:	
Trend Logging Capabilities/Limitations:	
General Features:	

B. BAS Trending Plan

[illegible]

C. Logging Plan

Logger Types

Building	Total	Current Transducer	Temperature and % RH (1)	Temperature (2)	CO2	Tilt	Motor

Building	Equipment/Location	Parameters Measured	Monitoring Devices	Minimum Logging Duration (Days)	Maximum Logging Interval (Minutes)
