SUMMARY OF CHANGES IN THIS VERSION:

The update added clarification for renovation projects to assure that ABA accessible path requirements are provided / maintained.

PB 2.1 - For existing buildings being renovated, the Project Book A/E shall do site investigations for conformance with ABA accessibility requirements. The Project book A/E shall produce a report of the required accessibility upgrades. The report shall include a scope of work, and budget for the site upgrades. This includes the accessible path of travel and any associated spaces such as bathrooms, entries, etc...
